NOTE ABOUT BALANCE PLANS: This application includes an option to apply for an Alternative Health Benefit Plan, called Kaiser Permanente Balance Plans. These plans do not provide all of the state mandated health benefits normally required in accident and sickness insurance policies in Georgia. The Balance plans may provide a more affordable health insurance policy for you, although, at the same time, they may provide you with fewer health benefits than those normally included as state mandated health benefits in policies in Georgia. If you choose a Balance plan, please consult an insurance agent to discover which state mandated health benefits are excluded in this policy.
