# Purchasing Short Term Medical Insurance Online

**A**ssurant Health, the nation's leading provider of Short Term Medical insurance, offers an easy, no hassle way to get a quote or buy temporary health insurance online.

## Short Term Medical insurance is ideal for:

- People between jobs
- Recent college graduates
- Employees waiting for employer-sponsored coverage
- People looking for an affordable alternative to COBRA
- Temporary or seasonal employees without benefits

## Short Term Medical Highlights

- Coverage available as early as the next day
- Prescription drug coverage
- Freedom to choose your own doctors and hospitals
- Flexible coverage options: 30-365 days (varies by state)
- A 100% coinsurance option, that no one else offers, means you pay nothing out of pocket after your deductible is met (The 100% coinsurance option is not available in NV, OR and UT)
- No medical exam required

## Benefits of Purchasing Online

- **Ability to get a quote and purchase 24/7** – research and purchase Short Term Medical at your convenience.
- **Simple application process** – the web site walks you through the sales process step by step – all in about 5 minutes!
- **Instant policy acceptance notification** – you'll know instantly if you're eligible for coverage.
- **Instant policy number confirmation** – when you submit a policy online with a credit card (VISA or MasterCard), or auto bank debit, a policy number is instantly provided.
- **Electronic Policy** – access your policy online for the duration of the policy (only available in select states)

To get a quote or to apply online, follow these simple steps:

- 1: Go to [www.stminsurace.com](http://www.stminsurace.com)
- 2: Enter the following agent number on the "Get a Quote" page:  

---
- 3: Follow the step by step instructions to get coverage as early as the next day.
